

Fax from Anywhere with Cloudli Virtual Fax

Get the Convenience and Freedom You Need with Cloudli Virtual Fax

The days of sending a fax from the office or a supplies store are over – use your desktop, laptop or smartphone instead!

With Cloudli Virtual Fax, there are:

- No contracts
- Flexibility to adjust your services at any time
- Ability to add or customize users or services with no upgrade charges or penalties

You'll also get:

- Responsive customer support
- Optimization according to your needs
- High quality and availability

With Cloudli Virtual Fax you benefit from:

• Faxing from Anywhere

Send faxes directly from your email or an online portal accessible on any device.

• Flexible Plans

Tailored pricing and usage for remote office workers, single users, small businesses or large enterprises with low international rates.

• Convenient Functionalities

Receive faxes as PDF attachments in your email inbox that you can save, print, delete or forward. Keep your existing number or get a new one in the U.S., Canada or internationally.

• Reliability and Security

Cloudli's Virtual Fax offers high availability with its redundant infrastructure, and encrypts all stored data.
